

Full-Day Camps

All Camp sessions include nature-themed books and stories, songs, crafts and outdoor games

K-1ST SESSION 2

NEW!(FULL DAY, 9a-4p)

JULY 7-11 (\$325)

Fur, Feathers, Scales, and Tails

Learn all about Ohio's diverse wildlife during this camp. Campers will discover the unique adaptations of Ohio's resident birds, amphibians, reptiles, fish, and mammals.

2ND-4TH GRADE

(FULL DAY, 9a-4p)

JULY 21-25 (\$325)

Junior Naturalists

Uncover your inner naturalist! Campers will develop a connection with nature by exploring the park's four different habitats while learning about the unique qualities of each one.

Campers will also make their own nature journal to record observations. Activities include bird watching, fishing, wetland netting for macroinvertebrates, shelter building, field drawing, outdoor games, and more!

The above camp dates and times are subject to change. Camps may be cancelled if minimum participant levels are not met.

Walk on The

Wild Side

About The Grange Insurance Audubon Center

Grange Insurance Audubon Center

505 W. Whittier St.

Columbus, Ohio 43215

Audubon has a long history of providing life-changing experiences in natural settings with over 30 summer camp programs in the U.S. Register your child to be part of this amazing network of camps around the country right here at the Grange Insurance Audubon Center! Join us this summer as we explore the grounds of the Grange Insurance Audubon Center and the different habitats of the Scioto-Audubon Metro Park. Using books, games, crafts, songs, hikes, water play and wildlife we will awaken youth to the beauty of the natural world and inspire campers to make connections between their actions and their environment.

TAKE A WALK ON THE WILD SIDE!

Meet Our Camp Counselors!

Anne Scott

This will be Anne Scott's third summer leading camp. Anne has nearly 10 years of experience working with children. Previously, she has been a rowing coach, youth swim instructor, adventure camp leader, and preschool teacher. She has a BA in Geography and Environmental Studies from Bucknell University.

Lily Schaefer

Lily is serving with Americorps at Grange Insurance Audubon Center, and this will be her first summer leading camp. Lily studied Environmental Studies, Geography, and Sustainability at Ohio University and graduated in May, 2024. With training as a Naturalist, Lily is excited to teach youth about their local environment!
