## PROJECT FEEDERWATCH THRU APRIL 29

Participate in this community science project! Select a date and time that you would like to count feeder birds at the center. Each slot is for one hour of counting time at our south feeder. Sign up at the QR code!

## EARTH DAY EVENTS!

Seeds of Caring Earth Day Celebration inside and outside the center, and Christine's Painting Fundraiser inside  
**APRIL 19, 10A-2P**

Green Columbus family event out in the park will feature music, fun activities, food, drinks, and vendor booths!  
**APRIL 27, 11A-7P**

## Spring Season Beginner Bird Walks

Take a guided bird walk during spring migration! Biweekly from March 8th to May 31st.

### BUCKEYE BIRDING SERIES FINAL SESSION APRIL 12, 11A-12:30P

#### Putting it all Together Challenging Sparrows & Warblers

In this class, identification skills are leveraged to streamline the learning curve for sparrow and warbler identification

### APRIL IS OHIO NATIVE PLANT MONTH

Native plants are beneficial for the environment because they support local ecosystems, require less maintenance, and help with water conservation, erosion control, and air quality, while also providing food and habitat for native wildlife.

**PICK UP YOUR FREE  
NATIVE PLANT SEEDS THIS  
MONTH AT THE FRONT DESK**
