

# FIELD TRIPS

Audubon

Grange Insurance  
Audubon Center

## Preschool Field Trips for Ages 3-5

The Grange Insurance Audubon Center offers general field trip themes that are customizable to the specifics of each group. Programs denoted with an asterisk (\*) are offered off-site. Our educators will work with you to create an engaging, age-appropriate experience.

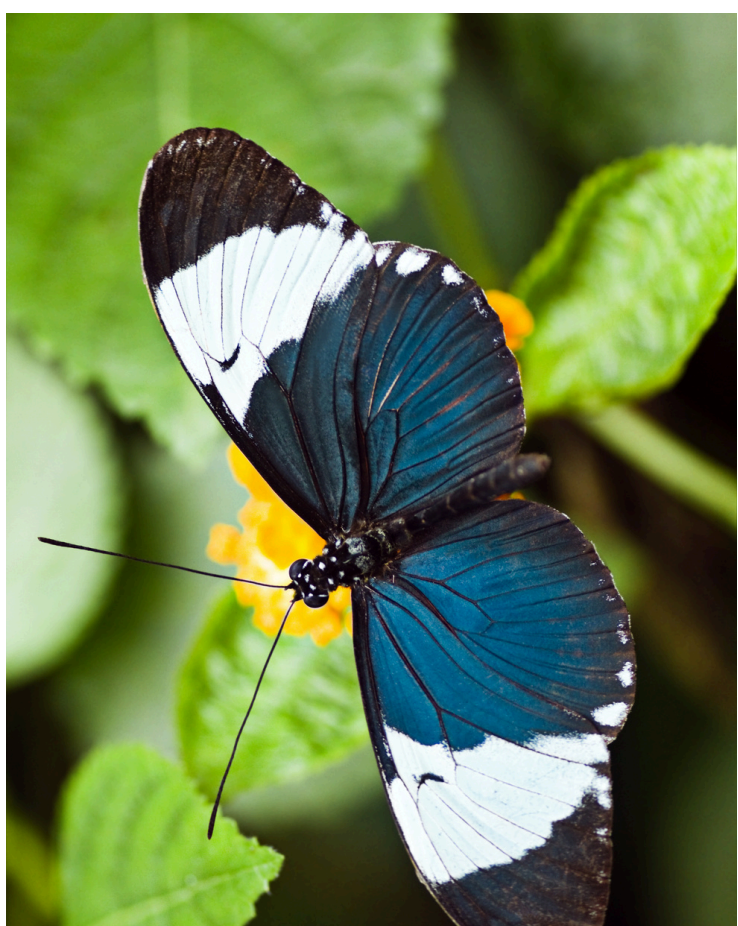

### All About Birds \*

- Learn all about birds and their unique adaptations.
- Get familiar with common birds of Ohio, the basics of birding, and how to use binoculars.
- Discover different types of seasonal birds and try to find them outside around our center.

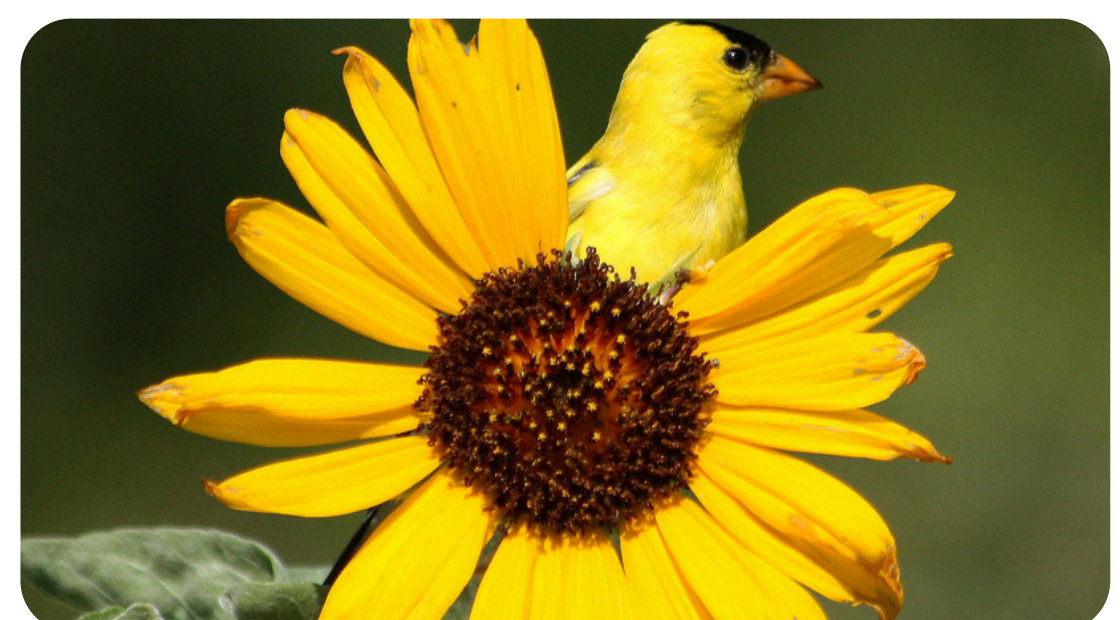

### Bugs, Bugs, Bugs!

- Learn all about the crawling critters in our environment!
- Discover different types of insects, spiders, butterflies, dragonflies, and other little creatures.
- Learn about their lifecycles and the role they play in our environment.
- Go on a bug hunt in the park's different habitats and see what you can find in each.

### Plant Party

- Discover the world of plants and learn about their lifecycles and role in the environment.
- Explore our native plant gardens and look for wildflowers in the prairie.
- Learn about pollination and see what kind of animals these plants will bring to the party.

### Length and Pricing

- Program length is 1.5 hours.
- \$150 for 20 participants.
- Additional participants are \$5/person.
- Maximum number of participants is 25.
- A deposit of half the total amount is required to secure booking. Credit card and checks accepted.

### To schedule a program:

- Please send all program inquiries to [giacfieldtrips@gmail.com](mailto:giacfieldtrips@gmail.com)
- In your email inquiry please include:
  - three date options
  - age range of participants
  - anticipated attendance
  - choice of theme
- Field trip inquiries are checked once a week. Please allow time for a response.
